

A Cold Dark Place

On a chance meeting, (at a mutual friends house) Luke finds the love of his life. Andy is what Luke has been longing for all of his adult years: the perfect man. But, this perfect man is not only straight-he is married to a woman who is more devilish than satan himself. In a bittersweet journey that will change his life forever, Luke must reach deep inside and find the strength he never knew existed. A Cold Dark Place is the story of a man who must pick up the pieces of his broken heart after a lifetime of heartbreak and betrayal.
