

## A Girls Guide to Moving on

**NEW YORK TIMES BESTSELLER** In this powerful and uplifting novel, a mother and her daughter-in-law bravely leave their troubled marriages and face the challenge of starting over. Leaning on each other, Nichole and Leanne discover that their inner strength and capacity for love are greater than they ever imagined. When Nichole discovers that her husband, Jake, has been unfaithful, the illusion of her perfect life is indelibly shattered. While juggling her young son, a new job, and volunteer work, Nichole meets Rocco, who is the opposite of Jake in nearly every way. Though blunt-spoken and rough around the edges, Rocco proves to be a dedicated father and thoughtful friend. But just as their relationship begins to blossom, Jake wagers everything on winning Nichole backincluding their son Owens happiness. Somehow, Nichole must find the courage to defy her fears and follow her heart, with far-reaching consequences for them all. Leanne has quietly ignored her husbands cheating for decades, but is jolted into action by the echo of Nicholes all-too-familiar crisis. While volunteering as a teacher of English as a second language, Leanne meets Nikolai, a charming, talented baker from Ukraine. Resolved to avoid the heartache and complications of romantic entanglements, Leanne nonetheless finds it difficult to resist Nikolais effusive overturesuntil an unexpected tragedy tests the very fabric of her commitments.
