

Converting My Best Friend: Part I

Life hasn't been too kind to Christian Manzano. Short in stature and awkward in social situations, the best thing in his life is Bryan Hall, his best friend since grade school. Tall, fit, and musically talented, Bryan is dating Veronica Hasselman, one of the prettiest and nicest girls in school. Christian wants Bryan as more than just a best friend and strongly resents Bryan's relationship with Veronica. After a few romantic encounters with Bryan, Christian is convinced that he has Bryan all to himself. But Bryan's reluctance to end it with Veronica becomes a source of nonstop frustration for Christian.
