

## Be My One and Only: Gay Romance Erotica

Michael had his entire life planned out—a great job, a wife, kids and a lover to fulfill his homosexual needs. The set-up seems perfect: Michael has his considerate wife Macey and his devoted lover James. But Michael wants the same thing for his lover, and one fateful day, he urges James to look for a wife of his own. By Michael's reckoning, James is not a hundred percent gay and having a wife and a child can give him the kind of happiness Michael feels with his family. But James knows Michael is the only one for him and, constantly pressured by Mike to date women, the lovers are always at odds. Things only get worse when Michael's frustration at James begins to make their fights more hurtful and physical. What will happen to their forever and beyond? Erick Heslove presents another heart-warming and titillating addition to his Best Man series. Enjoy this last book in the erotic romance trilogy. \*For adults only. Contains explicit erotic scenes and mature themes of gay sex and gay romance. Sample 1: I love you, he mouthed silently, his eyes hazy and filled with love and lust. I love you too! I responded in equal measure and lifted myself up to kiss him. Our lips met for a moment of bliss and then he pushed me back down and dove in. First, his lips were on my ass cheeks. He kissed them as he fondled them and I was already anticipating the moment. His hands parted his place on me and I could feel his breath hot and moist. Then his tongue made contact and I surrendered to his advances. He was lubing me up with his tongue, working magic in my secret spot for him, working his fingers in there and getting me primed and ready for his assault. His index finger got in well lubed and found my prostate and he began to tease me, making my hot flesh form goose pimples for him, making my toes curl in pleasure Sample 2: Michael, James cried to Michael, you can't just expect me to simply find a woman to

father children and marry her! His heart was breaking, I could tell. He wore that same expression on his face I recognized all too well. I could see the feelings, the pressure and frustration all building up in James demeanor as he was often moody and snappy with Michael. Of course, Michael was happy to have sex with James even when the two were at ends with each other, and James, the loyal little soldier, saluted his commander and did his bidding, anything to please him, except the one thing that he couldnt do. Michael, what if I cant get it up? James cried. Michael tried many things for several weeks. Different types of women, pornography and even erection enhancing pills. It seemed that James had only one person, only one man in his heart Sample 3: I found myself standing behind Michael, the amazing he-God. He was breathing deeply just waiting for me, so I aligned my shaft with his offering and pressed in gently, his saliva and my liquids for lube. It helped that he and I were just a little more than tipsy. He didnt move or freeze or clench when I attempted to enter him, instead he continued breathing deeply as I painfully attempted to penetrate him. Just slam it in, sweetheart, he panted. I knew that it would hurt, this being his first time, but he wanted it. My assault was followed by a deep guttural cry
