

# Dream! Create! Sustain!: Mastering the Art and Science of Transforming School Systems (Leading Systemic School Improvement)

Dream! Create! Sustain! is written for courageous, passionate, and visionary change leaders working in school systems throughout the world. It provides those change leaders with essential concepts, principles, strategies, and tactics for how to create and sustain whole-system change in their school systems. The information provided by Duffy is based on years of research on and real-world experience with systemic change, learning organizations, systems thinking, and organization-wide change. This book includes a description of a transformational change methodology and set of tools specifically designed to create and sustain whole-system change.
