

Eggs in a Casket (A Cackleberry Club Mystery)

The New York Times bestselling Cackleberry Club series returns with three intrepid ladies who know their way around a kitchen as well as a crime scene. Petra, Suzanne, and Toni may have lost their husbands, but they've found new life operating the Cackleberry Club cafe. It's where the locals head for an amazing breakfast, the good company of friends, and a puzzling mystery or two. THIS KILLER IS TOAST! Suzanne and Toni are off to Memorial Cemetery to help prepare for its 150th anniversary celebration. The ladies expect to find the historical society's tent, but instead they discover the body of ex-prison warden Lester Drummond lying facedown in a freshly dug grave. Now, with the town peppered with suspects and the local authorities in over their heads, it's up to the Cackleberry Club to unscramble the clues and sniff out a bad egg. Recipes Included!
