

Buchanans War

WesternLarge Print EditionBuchanans first job as a Texas Ranger was to head to the small town of Scottsville to stop a war there. Even before Major Jones finished giving him his orders, Buchanan knew he would find Scottsville to be hostile territory. Two cattle barons, who happened to be quick-drawing women, had torn the town apart in a duel that had already cost several lives. Now Buchanan was expected to stop the war, and he knew that he couldnt do that without spilling more blood very possibly some of his own.
