

The Sire of Humellis

An accident changed Adams life. He believed that destiny was in his hands, but he was not aware that what this destiny might bring him in the future. It is a story of a courageous man and his passion for cycling. This love brings him to India to explore the unexplored Himalayan trails. They plan for it and execute it very well. But there is something missing in the plan of his life which was decided years back at the time of the creation of humans that Adam is also not aware of. He is selected to start again and to build hope for the future. Be the part of Adams journey of courage and see Himalaya, mystery village, dark places, extraordinary creatures, and lands.
