

## Johannes Reuchlin: Briefwechsel / 1477-1505 (German Edition)

Der zeitliche Rahmen der 136 Briefe dieses Bandes reicht von Reuchlins Studium bis in sein 51. Lebensjahr. In dieser Zeit entstehen sein Dialog *De verbo mirifico*, die Komodien *Sergius* und *Henno* sowie seine im März 1506 veröffentlichte hebraische Grammatik. Der Briefwechsel liefert vielfältiges Material zur Genese dieser und anderer Werke Reuchlins und beleuchtet ihre zeitgenössische Rezeption. Eine Reihe von bisher unveröffentlichten Briefen ermöglicht erstmals Einblicke in Reuchlins Tätigkeit als Rat und Richter. Zu den ca. 80 Briefpartnern dieses Bandes gehören Rudolf Agricola, Sebastian Brant, Marsilio Ficino, Aldo Manuzio, Lorenzo de Medici und Jakob Sprenger. Im Anhang befinden sich weitere wichtige Dokumente. The 136 letters in this volume were written between Reuchlins time as a student and the 51st year of his life. During this time, he wrote the dialogue *De verbo mirifico*, the comedies *Sergius* and *Henno* as well as a Hebrew grammar, published in March of 1506. The correspondence provides a great deal of material on the origins of these and other works by Reuchlins and sheds light on their reception at that time. A series of previously unpublished letters enables the very first insights into Reuchlins work as a councillor and a judge. Among the 80 correspondents in this volume are Rudolf Agricola, Sebastian Brant, Marsilio Ficino, Aldo Manuzio, Lorenzo de Medici and Jakob Sprenger. The appendix contains further important documents.
