

My Life as a Sperm: One Mans Quest to Save the World

Buddy Price, a Hollywood agent, dies in a car crash and finds himself in Heaven. There, he discovers Gods had enough with people and plans on pulling the plug if we cant learn to get along - a love thy neighbor or else sort of message. An unlikely hero as there ever was, Buddy convinces God to let him fix things and gets a second chance. From the first few lines of the book, we know that hes probably the last person wed want to depend on to save the world, but Gods got his plan. Our fate rests in Buddys hands or, who knows, maybe hes just crazy and needs lithium or something.
