

## Once in a Lifetime

Offered a yearlong medical research fellowship in France, Shane Johnson has many hopes for the experience: a chance to improve his French, an opportunity to hone his research skills before starting his PhD at Baylor, and the freedom to live life as an openly gay man for the first time. Hell chronicle his year abroad with its challenges, victories, and setbacks as he struggles to balance his faith with his sexuality. As he navigates the shoals of a first kiss, a first relationship, and perhaps even lasting love, Shane will have to balance his newfound emotions with his long-term plans, and hell face the decision of how his once-in-a-lifetime experience will fit into the life he wants to lead.
