

Song for Athena (Severn House Large Print)

Julia is bored with her lifestyle as a secretary in London; the only excitement is meeting attractive Nick Ryan. When she gets a phone call from the older sister she barely knows, and an invitation to go to Spain for a while, she agrees wholeheartedly. Julia had always been in awe of Athena with her lavish lifestyle, extravagant, wealthy friends and wild parties. However, during her stay in Spain, Julia realizes that Athenas life doesnt seem to be quite as carefree as she had always assumed, and loud arguments indicate that something is wrong. Back in London and embarking on a relationship with Nick, Julia hears that Athenas villa has been ransacked and her sister killed. In shock, she returns to Spain to sort out the funeral arrangements and discovers amongst her things a key to a safety deposit box, in which are four envelopes, each marked with a name and each containing criminal evidence. Slowly Julia uncovers the truth surrounding Athenas lifestyle, and it proves to be a dangerous world full of dark secrets, blackmail and death.
