

The Book of Small Changes: A flash fiction I Ching

Sixty-five very short stories. The Book Of Small Changes takes its inspiration from the wisdom of the Chinese I Ching, replacing those ancient fortunes with new stories: where the sea mourns for those it has lost, where encyclopaedia salesmen weave their accidental magic, and where the only true gift for a king is the silence of snow. Tim Stevenson is the winner of the 2013 National Flash-Fiction Competition and his stories have previously appeared in the anthologies Scraps and Jawbreakers. This is the first collection of his work.
